

CrackerJack Marquee Company at Marsh Farm

CrackerJack Marquee Company have joined together with Marsh Farm to produce a stunning venue for that special day.

The packages we supply have been designed to match both the needs of the customer and the high standard expected by Marsh Farm. They are supplied at discounted rates negotiated on your behalf by Marsh Farm

We are a family run business with over 17 years experience, and this is reflected not only in the quality of our service, but also the outstanding quality of our equipment.

We understand the importance of the marquee in the success of your event, wedding or party.

Each package contains everything you will need for your wedding or event.

There are no hidden extras, although there are some enhancements

Available. These are all listed along with the packages on the following page.

These also include a simple price for wooden sub floor and new carpet (40+ colours to choose from)

Every package includes a fully lined main marquee for dining and dancing.

Plus a reception/bar/evening guests area with flooring, bar unit and bar furniture.

All tables and chairs are included and the chairs can be Gold, White or Silver Banqueting.

Cake table, easel and all trestle tables for the caterers are supplied.

The lighting is supplied by marquee uplighters and these sit around the edge of the marquee and create a soft evening glow.

All power distribution equipment is supplied from Marsh Farm's dedicated outdoor electricity supply.

CrackerJack Marquee Company will have direct contact with every bride and groom during the booking process to discuss the layout of the marquee and any individual needs they may have. Every customer will then be supplied with a floor plan to help them visualise how their marquee will look.
